01. PROFILE

My work moves from early concept sketches through production-ready documentation for manufacturing. Background spans furniture design and technical documentation for manufacturing, across Guatemala City and, since 2024, Prague.

Strong Rhino and AutoCAD 3D modeling skills, with additional experience in AutoCAD 2D, SketchUp, render software, and the Adobe Suite.

MA in Future Design (Distinction, Teesside University / Prague College) and a Bachelor's in Industrial Design.

02. EXPERIENCE

12/2025 - Present
Praha Czech Republic

- **The Miners, Coffee Giants a.s.**
The Miners, Specialty coffee chain in Europe.

Interior Design & 3D Visualizer

- Produced technical furniture and fit-out drawings for 10+ new coffee shop store openings across five countries (Belgium, Cyprus, Czechia, Portugal & Spain).
- Applied hands-on knowledge of coffee shop equipment requirements to resolve installation conflicts, converting the architect's design into contractor-ready documentation.

theminers.eu

10/2024 - 10/2025
Praha Czech Republic

- **Jiri Krejcirik Studio**
Spatial and Furniture Design

Studio Assistant

- 3D Modeling & Design Development: Created and refined product designs in Rhino3D, preparing technical files for production.
- Visual Content Creation: Edited product photography for web and print, ensuring brand consistency in lighting, color, and composition.

jirikrejcirik.com

09/2021 - 08/2023
Guatemala City

- **Piegatto Contemporary Design**
Architectural Firm and Furniture design company.

Design Consultant & International Sales

- Led spatial and interior design for 10+ major residential projects, analyzing space through blueprints for layout, color, and material selection.
- Worked with Piegatto's in-house production team on custom specifications, translating client requests for size and color into the studio's high-end designs.

piegatto.com

01/2021 - 09/2021
Guatemala City

- **Tabla, Office Furniture SA**
Office Furniture Manufacture

Furniture Designer and Sales Associate

- Produced dimensioned SketchUp models for custom furniture projects, translating each design into CNC-ready cut specifications and assembly details for the production team.
- Conducted in-home client consultations and measurements personally, advising on cost-effective materials suited to each client's budget and space.

tablasa.com

05/2019 – 01/2021
Guatemala City

- **Grupo Recinos –O3 & Habitat**
Furniture Retail Store

Interior Design & Co-Manager

Progressed from design consultant into co-managing one of two stores opened as part of the company's regional expansion.

- **Interior Design & Co-Manager, second regional store** 11/2020 – 05/2021
 - Combined hands-on design consulting with team leadership and sales-target accountability as co-manager of the second store.
 - Served as the team's escalation point for client service issues, resolving disputes directly to protect customer relationships and repeat business.
- **Interior Design & Sales Supervisor, first regional store** 03/2020 – 10/2020
 - Selected as part of a small team of design-sales advisors chosen to open the store, adapting the capital's design-consultation approach to a new local market.
 - Led and trained a team of sales-design advisors, coaching them on space assessment and furniture recommendations.
- **Sales Associate & Interior Design Consultant, Habitat** 05/2019 – 03/2020
 - Advised individual retail clients on furniture selection, layout, and finishes, from store visits through full in-home consultations.
 - Managed the full sales process independently, reading client needs, negotiating price, and closing the sale.

12/2018 – 04/2019
Guatemala City

- **Sistemas y Proyectos Guatemala**
Guino – Office furniture importer

Office Furniture Sales & Design Consultant

- Sold office chairs, desks, and modular workstations to business clients, from initial contact through closing the sale.
- Used the supplier's 3D configuration software to design layouts with their actual product line, giving clients an accurate preview before ordering.
- Took on-site measurements at client offices to plan furniture layout and fit.

01/2018 – 04/2020

- **Sales Associate & Junior Interior Designer**
 - Advised individual retail clients on furniture selection, layout, and finishes, starting from store visits and later handling full in-home consultations.
 - Learned sales fundamentals on the job: reading client needs, negotiating price, and closing the sale.
 - Started as an entry-level sales associate, receiving on-the-job training in interior design and moving into a junior design role within the store team.
